Super-Compact
RS
1000
Magnatrac®
Crawler Tractors

NEW for 2008!

The FIRST & ONLY
Super-Compact,
Twin-Track Dozer
SIZED & PRICED FOR
HOMEOWNERS!

WHY should farmers, ranchers, contractors, and rural homeowners have TWIN TRACK power, traction, and versatility all to themselves? Now, for about the price of a lawn tractor or ATV that can't do much more than mow or "joy ride," you can have a tough little "back pocket" dozer that can mow heavy growth PLUS grade a driveway, landscape a terrace, dig a small pond, skid a log, haul stones...and much more!

PACKAGE 102

NO TRAILERING!
*The RS1000 is powerful but COMPACT:
jumps easily into a midsize pickup
truck! Transport quickly & neatly to a
"side job" to earn extra income.*

NEW "Back Pocket" Magnatrac RS Dozers are the HIGH-PERFORMANCE ALTERNATIVE to single-function, low-traction lawn tractors!

Deluxe Magnatrac RS1000, fully outfitted with our most popular attachments: Front Hitch, Spring Assisted Lift System, Heavy Duty Bulldozer Blade.

PACKAGE 102

Made in USA!

INTRODUCING our hottest, newest super-compact small frame dozer, the Magnatrac RS1000. Available in Basic & Deluxe Models, RS dozers are 1/3 SMALLER and 1/3 less money than our larger Magnatracs but do ALL the same jobs...they just take a bit longer.
